TEAMS

Regular Club (Fall/Winter) Season, Summer Season

SCW plans to offer **Synchronized Skating Teams** based on skating level and age for the 2021-2022 season. We typically have an Open Juvenile team, a Pre-Juvenile team, two Basic teams and a Snowplow Team composed of skaters under 18 years of age which would include skaters from our group lesson sessions currently coached by Coaches Emily Walsh and Kathy Metzler on Sundays from 12:20 to 2:00 p.m. Contact the SCW office for further details.

Synchro skaters are members of SCW and each represents SCW with the USFS. SCW members with monthly ice time use one of their allotted sessions for synchro. Group lesson skaters who want to do synchro pay the regular group lesson rate plus \$38. Walk-on synchro skaters pay the Basic Member Dues plus \$14 per session for synchro. Coach fees are separate and are paid directly to the coach. Coaching fees will be determined and announced by the coaches.

Hockey programs at SCW are based on rental contracts for the season, but they also include in-house instructional hockey and summer programs. We currently rent ice time to several schools and independent hockey teams, including a Senior Hockey team. Check at the Office for times and team rates.

Senior Hockey operates according to USA Hockey rules and required equipment. Contact Office for times and team rates.
