

# WE VOLUNTEERS

To all our skaters, parents, coaches and friends at the Skating Club of Wilmington,

The success of our Club is often influenced by volunteerism, particularly in events that help generate income for our club. Many of our members and visitors to our rink know that the health of a facility can be felt by all senses. We are constantly being judged by our friendliness, cleanliness, looks, and quality of our programs, staff and coaches.

SCW's main draw is its ice surface which is managed by a small paid staff to maintain the ice and building, clean the facilities, and manage various skating programs such as Learn to Skate and ice hockey. Website administration and the snack bar are operated by contractors. Skating coaches who are paid by the club to teach Learn to Skate programs and our ballet instructor are independent contractors. Almost everything else is managed by volunteers.
