SCW's LEARN-TO-SKATE & ASPIRE SUPPORTING INSTRUCTIONAL STAFF

SCW's supporting instructional staff teach Learn-to-Skate and/or Aspire group classes.
All are 'Learn to Skate USA' Instructor Certified with diverse skating experiences, and considerable United States Figure Skating test achievements to their credit.

Our LTS staff may be available to teach recreational private lessons to first-timers, beginners, and Basic Skills level skaters during Public Sessions/LTS practice times at rates that are more economical than our professional coaching staff.

If you are interested in scheduling with one of these LTS instructors, speak to them directly after class, or reach out to Skating Director, Jennifer Eppes at scw.learntoskate.aspire@gmail.com for guidance and contact information.
