

# Private Skating Lessons at SCW!

## Why take private lessons?

- \*Enhance a beginner's confidence with complete personalized attention*
- \*Accelerate and supplement group lesson learning*
- \*Gain individualized help on difficult skills within a level*
- \*Achieve some degree of comfort before a first group class*
  - \*Get caught up in a class if falling behind*
  - \*Move out of recreational 'Basic Skills' skating towards more commitment and greater involvement in the sport*
- \*Specialize in a skating discipline such as singles, ice dance or hockey*
  - \*Perform in recitals, competitions and shows*
  - \*Participate at self-selected times that accommodate busy family schedules*
- \*Allow the special needs skater the chance to thrive*
- \*Continue learning when group instruction is no longer possible*

## Our SCW Coaches

The Skating Club of Wilmington has a staff of highly qualified instructors available to fit every need! All of our coaches are certified by Learn to Skate USA, with extensive testing or competitive backgrounds with United States Figure Skating. Several staff members hold top ratings from the Professional Skaters Association and a few are even former National, World & Olympic competitors!
